

Family Emergency Health Information Sheet

During a flu pandemic or other health emergency, you may be required to provide specific health information about yourself and others in your care to those offering health care services. This information is essential to health care providers when considering how best to treat you and your family. Using the chart below, fill in as much information as possible for each family member.

	Member 1	Member 2	Member 3	Member 4	Member 5	Member 6
Name						
Date of Birth						
Provincial Health Card Number						
Blood Type						
Allergies						
Existing Medical Conditions						
Medications (include dosage)						
Name and Contact Information for Current Health Care Provider(s)						

List of contacts

Emergency contact

In the event you or your family members become ill, you may wish to have a relative or friend notified of the situation. They may be able to offer additional information to the health care providers treating you or may be able to help with your care.

Public Health Hotline

If you and/or a family member are ill, you may need others to notify your place of work or any schools your children attend. In addition, during a pandemic, you may need to check periodically to determine if these facilities have closed their operations.
