

Appendix D

Key Word Index

This brief index is intended to supplement the detailed Table of Contents. Please note that recommendations from Chapter 8, and highlights and summary sections from all chapters are not covered by the index.

Aboriginal people	31
alcohol and drug use	124
education	51, 57, 74
fetal alcohol syndrome	160
food security	102, 103
housing	105
health services	149
HIV	19
infant mortality	25
injuries	23, 74
life expectancy	26
low income, poverty	47, 50
PYLL	27
smoking	119
suicide	24
Active living — see Physical activity	
AIDS, HIV	18, 19, 123, 126, 127, 131
Alcohol and drug use	
Aboriginal children	124
driving	122, 129
HIV	19
pregnancy	77
trends and rates	121, 122, 131
youth	122, 124, 129

Alternative health services	153
Arthritis, rheumatism	17
Abuse	85, 90
Biology and genetics	158, 159, 161, 162
Birth defects	159
Birthweight	76, 77
Breastfeeding	78
Built environment	104, 105, 106, 107, 108, 109, 158
Cancer	
children	21, 22, 27, 74
breast	22
lung	22, 32
prostate	22
screening	146, 147
Children and youth	
abuse	85, 90
cancer	74
childcare	87
development	75, 79, 80, 82, 163, 168
emotional and behavioural competence	81
environment	109
injury	19, 74, 80
investment in	88, 90
multiple risk behaviours	128, 129, 131
poverty, low income	43, 44, 46, 64, 82, 84
pregnancy	78
psychological well-being	83, 89
suicide	23, 24, 32
unemployment	57
Chronic conditions and diseases	17, 32, 144
Death, causes of	
cancer	21, 22, 27, 28, 32
cardiovascular disease and stroke	21, 27, 28, 32
infant mortality	25, 28, 75
motor vehicle crashes	23, 121, 122

smoking	22, 25, 32
suicide	23, 24, 25, 27, 28, 32
unintentional injuries	23, 27, 28, 32
Depression	18, 79
Diabetes	17
Disability and activity limitations	
low income	20, 43
seniors	164, 165
Education, literacy	
and income	51, 52, 53, 54, 64, 65
and gender	54
Employment, unemployment	54
gender	55, 56, 64
Families	
composition	48, 86
income level	44, 47, 48, 49, 50, 85
lone parents	45, 47, 58, 60, 87
investment in	89
Fetal alcohol syndrome (FAS) and effects	77, 160
Food security	102, 103
Gambling	126
Gender	24, 29, 31, 32, 53, 90, 146, 153
Gini Index or Coefficient	40, 49, 50
Government transfer payments and income taxes	50, 64
Health services, social services	
access and utilization	52, 86, 145, 146, 148, 149, 154, 166
expenditures	138, 139, 140, 141
need for integration	66, 87, 109
quality of health care	145, 154

Healthy eating — see Nutrition	
Home care	144, 145, 154, 155, 166
Homicide	25
Hospital care	142, 143, 144
Housing, homelessness	105, 106, 107, 109, 131
Immigrants, immigration	26, 53, 85, 116, 120, 149
Income	43, 49, 63, 64, 65, 66, 116, 130, 144, 148, 149
Low income, poverty	16, 17, 18, 20, 26, 28, 29, 30, 31, 32, 40, 43, 44, 45, 47, 51, 52, 53, 54, 60, 63, 65, 75, 84, 85, 102, 146, 152, 161
Injuries, unintentional	19, 23, 32, 59, 74, 80
Life expectancy	12, 26, 27, 28
Literacy — see Education, literacy	
Medication	150, 151, 155
Mental health services	150
Mental health — see Psychological well-being	
Mortality — see Death, causes of	
Natural environment	98, 99, 100, 101, 102, 103, 108, 158
Nutrition	117, 129
Parenting practices	87
Physical activity	115, 128, 130
Physical environment — see Built environment, Natural environment	
Potential years of life lost (PYLL)	12, 21, 23, 26, 27, 28

Pregnancy, birth	
smoking, alcohol use	77, 104, 160
youth	78
Psychological well-being	12, 15, 16, 32
Reproductive technologies	161, 168
Respiratory disease	101, 104
Safety equipment	124, 125, 129
School readiness	52, 72, 79
Secure attachment	72, 78, 163
Self-rated health	12, 14, 15, 164
Seniors, aging	
biology	163, 164, 165
education	54, 167
health-care services	146, 166
income	43, 44, 166
injury	19, 23
medication	151
personal health practices	167
social support	60, 167
Sexual practices	126, 128, 129
Sexually transmitted diseases	126, 127, 162
Smoking	25
environmental tobacco smoke	104, 160
gender	22, 25, 32, 120, 129
immigrants	120
pregnancy	7, 104, 160
youth	22, 32, 120, 121, 129, 130
Social services — see Health services, social services	
Social well-being	60, 64, 66

Socioeconomic environment	89
— See also Income, Low income, Education	
Stress	57, 159, 161
